DEAR FRIEND

In 2009 the first 'European Nepal Conference' was held – 200 people from 13 countries came together in Germany to hear what God is doing among Nepali people around the world. There was a great sense of God's presence. In response to what they feel is God's leading, the leaders of INF UK and UMN are organising this conference to build on what took place last year.

If you have a love for Nepali people, we will be delighted if you join us for the conference.

The theme is **one mission, one love for nepal**

We can all be part of God's transforming work among Nepali people, building on the contributions of people who have gone before us – we are on a journey together. At the conference we will worship together, look at what God has been doing in the lives of Nepali people, and be open to where God wants to lead next – we expect it to be special!

MAIN SPEAKER

Steve Aisthorpe lives in Scotland with his wife Liz and two sons John [13] and Scott [11]. He is a Development Officer for the Church

of Scotland, working with local congregations throughout the Highlands and Islands to inspire, encourage and support effective mission and discipleship. Between 1995 and 2007 he worked in Nepal with INF, first as Research Officer and later as Executive Director. In his free time he likes to climb mountains or slide down them.

SEMINARS

Over the weekend Nepali outreach workers and INF and UMN mission workers will lead seminars on:

- the development of the church in Nepal
- projects in Nepal to deal with children at risk, conflict transformation and medical work
- outreach among Nepali people in the UK and Europe
- outreach among the wider 'diaspora' of Nepali people outside Nepal

Throughout the weekend there will be prayer, a key part of our shared heritage. There will be opportunities to meet together for praise and worship and to:

- spend time with friends at the 'Nepal prayer centre' in the chapel
- catch up with old acquaintances
- arrange special interest meetings
- enjoy the beautiful grounds of the conference centre

Whatever you decide to do, a notice board will enable you to post details so others can join you. There will be a crèche and young people's programme alongside the main sessions.
